

## Faculty:

### Michelle Davis White, MSN, RN.

Michelle has worked in home care for many years during which time she has implemented various In-Home Aide programs and offered direct aide supervision. She is currently the Director for HomeCare Providers, a division of Alamance Regional Medical Center. She is a Nurse Aide instructor for Alamance Community College and serves on the Alamance Community College Nursing Assistant Advisory Committee. Michelle is also part-time faculty at UNC-CH School of Nursing in the Public Health Division.

- **PHONE** in your registration with credit card payment to: 916-641-5795 ext. 113

## *The Aide's Role in Infection Prevention and Control*

**AUDIO CONFERENCE**

**Thursday July 16 , 2009  
12:00 p.m. to 1:00 p.m. PST**

**Brought to you by:  
California Association for Health Services at Home**

## What it's all about:

This workshop will focus on understanding the basic principles of infection prevention and control. This workshop will also focus on Blood Borne Pathogens and the principles surrounding transmission and methods in which the aide can protect themselves and the patient.

**REGISTER TODAY! Save time and travel costs and include all staff members who require training on this important topic!**

Enjoy the convenience and cost-efficiency of a telephone workshop. There is no travel time involved and no limit to the number of attendees from your agency who may participate at your site through one phone line. All you need to participate is a speaker telephone and a room large enough for your staff.

**The workshop will take place from 12:00 p.m. - 1:00 p.m.**

The registration deadline is **July 13, 2009**. Due to the expense of using the teleconference hook-up, registrations may not be shared between agencies – the agency's registration covers the access of only one phone line into the teleconference. The handouts will be emailed to you by July 14, 2009 to the email address you provide. Please feel free to provide an additional email address as a back up. Handouts are emailed in power point – if you are unable to open a power point presentation, please indicate so on the registration so we can make arrangements to send it to you in another format. Thanks!

**Your email confirmation will include:** Details of how to dial into the teleconference on a toll-free telephone line, the handout, and evaluation. Fees will be refunded only if written cancellation is received by CAHSAH two weeks prior to the workshop, and are subject to a handling fee. **No refunds will be given after the dial-in number is sent to your agency.**

## Registration

Infection Control Teleconference - July 16, 2009
