WHAT TO EXPECT

Spend two intense and fun days learning all there is to know to collect the OASIS-C accurately. Understand the specifics of the new items, changed items and process measures. Learn what you need to know about changes to data collection rules and conventions. Demonstrate mastery of learned concepts through participation in application scenarios.

The Blueprint for OASIS Accuracy workshop offers effective, timely, comprehensive and at times, entertaining education, directed at the field data collectors and their supervisors. The "Blueprint" presenters will provide up-to-the-minute education on what information is available and what questions remain unanswered.

Educational Goals:

- To support the educational needs of home health clinicians in achieving comprehension and accuracy in OASIS data collection using guidelines established by the Centers for Medicare & Medicaid Services (CMS).
- To enhance compliance with the OASIS Prospective Payment System (PPS).
- To provide a preparatory review for candidates for the COS-C (Certificate for OASIS Specialist-Clinical) examination.
- To provide the learner with the latest CMS documents to facilitate researching answers to future questions and to support data collection in special situations.
